

General Data Protection Regulation (GDPR)

GENERAL DATA PROTECTION REGULATION (GDPR)

Personal data, such as full name, date of birth and a photograph for all players at Wilmslow Town Football Club is required to enable them to play in a team.

This information is also shared with other organisations such as:

- The FA for licensing and registration of players and regulation of the national game
- County Football Association, as each League affiliates with its County FA and registers on WGS
- League, in order to be eligible to play for Club's representative team

Each Team Coach holds a card with his team members and their personal data, this is given to the opposing team Coach on match days who will check and confirm the players in each other's team.

At the end of each season if the player continues with Wilmslow Town Football club, their details will be updated and a new photograph is taken if necessary. Should any player leave the club, their personal details will be deleted within 1 month of notice of leaving

Any third parties that process data on our behalf, example website management, will have written contracts in place with Wilmslow Town Football Club.

CHILDREN UNDER 16

Your name, date of birth and photograph will be documented and kept by Wilmslow Town Football Club. Your coach will have these details at every match and will give them to the opposing teams' coach who will call out your name and check your photograph is like you in person.

This information will also be shared with other football organisations such as Cheshire FA as we need to register all our players on their system.

Once you leave Wilmslow Town Football Club, your details will be deleted from all these systems
